Subject:	IMPORTANT: Missouri Collegiate DECA State CDC Timeline & Procedures
Date:	Wednesday, December 02, 2020 11:46:10 AM
Attachments:	Competitive Events Calendar - Feb 2021-FINAL.pdf Schedule at a Glance 2021.pdf MO State CDC Virtual Dates and Processes-FINAL.pdf
Importance:	High

Good day, Advisors and Officers

It has been officially decided to hold our Missouri State Career Development Conference **virtually** this year.

With this decision comes the need to create a timeline of events for the month of February with policies and procedures to assist all of us in allowing our DECA members to compete for the chance to attend the DECA, Inc. International Career Development Conference (ICDC). It is the hope that this event will be held in Austin, Texas this year from April 17-20, 2021.
NOTE: No decision has been made officially by DECA, Inc. whether ICDC will be held in person or virtually at this point. We all hope we will be able to be in person this year but DECA, Inc. will make the call that is the best interest of the health and safety of our members.

You will find attached the MOCDECA State CDC Processes document, the competitive events calendar for the month of February, and a handy 'Schedule at a Glance' document to clarify the timelines of our events.

Registration for State CDC will begin on January 4, 2021 and close on January 31, 2021. More information and materials to help you register will be sent prior to registration opening.

If you have any questions, please feel free to email me.

Stay safe, happy and healthy!
