DUTIES OF MISSOURI DECA DISTRICT VICE PRESIDENT

The 4 components of Missouri DECA's District Vice President role are: Advocacy, Community Service, Communications, and Membership. As a DVP your role is to implement the initiatives described below within your district. These are not to be implemented for your individual chapter, but for your district as a whole.

All Missouri DECA District Vice Presidents are required to complete a Program of Activities (POA) according to guidelines stated in the Program of Activities section of the State Officer Handbook. POAs are submitted monthly by the deadlines provided at DVP Training. POAs and documentation of activities are submitted for review to be scored by SAT Advisors. DVPs must score a 70% or higher to attend ICDC as a State Action Team representative.

In addition to your initiatives, you will be required to attend the State Career Development Conference and assist with handing out medals/trophies on stage at Grand Awards. We will have two dress rehearsals at State that are mandatory (they will not interfere with competition in any way). **You will be required to purchase and wear a white button-up dress shirt and khaki pants with your DECA blazer on stage at SCDC.**

Advocacy: During your term you will be expected to write a letter to your state legislator expressing how DECA has impacted you, your "DECA Testimony". We expect you to encourage the chapter presidents within your district to also send a letter. You will also work with the VP of Advocacy to carry out his or her initiatives within your district.

Community Service: During your term you will be expected to organize one community service project for your district. This can be done at your District Competition or through your term. Your event must be presented and approved by your State Action Team Advisor.

Communications: During your term you will be expected to run the DECA Twitter account you are assigned and will be required to create and post relative content monthly. All content must be approved by the MO DECA Social Media Director. You will also be responsible for creating a group chat (Band, GroupMe, etc.) with the chapter presidents in your district to communicate important information and State Action Team initiatives.

Membership: During your term you will be expected to organize and host one district wide networking event or meet-up in person or via zoom. Your event must be presented and approved by your State Action Team Advisor.
